Service Groups Donate \$213 To Loan Fund

Gamma Sigma Sigma and Alpha Phi Omega service organizations presented a check for \$213.10 to the Student Senate last week, representing half of the net profits for the concession stand at the Homecoming football game.

The money, as provided for in the agreement between the organizations and the Senate, will be placed in the Student Loan Fund where it will be matched on a nine to one basis by the National government.

Eng. Proficiency Exams Slated for Today at 3 p.m.

The English Proficiency Examination will be given in the College Auditorium on Wednesday, November 13, 3:00 p.m. All students who have completed 45 hours and two semesters of English Composition are required to take this examination. Students will not be notified by the Registrar's office but will assume the responsibility of reporting for the examination.

Young Demos to Meet

TKE's Squeak By ISO In Brain Bowl Battle

CAMPUS BOWL WHIZZES—Members of the TKE team concentrate on a bonus question being asked by Mr. Calvin Widger while the ISO team members anxiously await the next toss-up question. The TKE team composed of Stu Bintner, Gary Barber, Tom Whitney, and Mike Knepper narrowly defeated the ISO team composed of Jack Sherbo, Robert Baker, Mrs. Sandra Heater, and Dennis Morton, 230-205. Next week's action will pit the TKE's against the Phi Lambs. Mr. Widger and Mr. Donald Bell are the faculty questioners for campus bowl.

Mrs. M. T. Sheldon, MSC cafeteria director, introduced Ernest Goldsmith, a food service consultant, to the Union Board Foods Committee at its meeting last week.

Goldsmith has been employed by the College to study the cafeteria system and, when necessary, to make suggestions for improvements.

Goldsmith suggested experimenting with different menus to determine if a greater variety of foods would appeal to the students. He pointed out that the variety of meals which students like, varies widely throughout the United States, and that the proper variety can be reached only through experimentation. Student opinion of the new menus which are being offered is essential and should be expressed to members of the Foods Committee.

According to Goldsmith, the MSC cafeteria's ratio of expenditures for food compared to the total expenditures is above average. He also stated that the sanitation and general cleanliness of the food service area is excellent and that the quality of food purchased by the cafeteria is high.

Miss Millie Cockrill reported that it had been suggested to her that lines be rotated to different rooms occasionally. The committee approved the suggestion and set Dec. 2 as the date for the first change.

Committee members are Miss Cockrill, Bob Cotter, and Bob Crawford. Students with complaints or suggestions about the cafeteria should make them to these students according to Chairman Cotter.

AAUP Meet Postponed

The AAUP meeting scheduled for tonight has been postponed until next Wednesday, according to Dr. Geogre Gayler, president.

Senate Committee Proposes Reapportionment Amendments

BULLETIN

Miss Huitt Chosen as Key Coed

Miss Judy Huitt, a junior from Des Moines, has been named Cardinal Key Coed for November, according to Miss Jeri Irvin, president of the women's honor organization.

Judy was cited by the group for her outstanding service to MSC, particularly for her work in the Associated Women Students. Having previously served as a representative and as chairman of the Harvest Moon Ball committee, she is now president of that organization.

Mrs. Helen Larsen, director of Roberta Hall, said, "I feel Judy is a very capable and dependable girl and a real asset to our dormitory."

Judy is also active in the Bearcat 4-H Club, now serving as treasurer. She is music chairman of Gamma Sigma Sigma service sorority, and an officer of the Wesley Foundation. She was freshman class treasurer and was a candidate for sophomore Student Senator.

The daughter of Mr. and Mrs. Robert Huitt, Judy is majoring in elementary education and minoring in library science.

PEM Club Plans For Career Day

The Women's Physical Education Majors Club will have its Career Day Nov. 22-23 for high school seniors in the Northwest Missouri district.

Beginning Friday night with the play RUR, the event will introduce the high school girls attending to all of the activities and areas of the women's physical education department.

Activities on tap Saturday morning will be: square dancing, led by Sherry Speer; trampolining, led by Mary Brannan and Karen Frazer; volleyball, led by Linda Drummond and Judy Wolverton; badminton, led by Phyllis Fastenau; and table tennis led by Wanda Smith.

Demonstration of the following activities will also be given: modern dance, by Mary Lou Hilger, Janet Merrill, and Tegwin Dyer; fencing, by Sharon Thomas and Rhodetta Jensen; and gymnastics, by Marcia Miller.

The day will conclude with lunch in the Student Union.

The Senate reapportionment committee reported its recommendations for revamping the Senate's membership and election procedures at last Thursday's Senate meeting.

Representing the fulfillment of a campaign pledge, the proposals are scheduled to be submitted to the President of the College and to the Student body before the scheduled Senate elections in December.

To Represent Groups

As proposed by the committee, Senators would be elected by each social organization and by specified groups of dormitories. Serving a term of one year, each Senator would have to be a member of the organization or a resident of the hall which he or she represents.

Senators would be apportioned in the following manner:

Cooper Hall-1, Douglas and Tower Halls-1, Cook and Richardson Halls-1, Wilson, Colbert, Hake, Hawkins, Cauffman, and McCracken Halls-1.

Roberta Hall-1, Perrin Hall and the Town Girls Association-1, Hudson Hall-2.

One each from Alpha Kappa Lambda, Alpha Sigma Alpha, Delta Zeta, Independent Student Organization, Phi Lambda Chi, Phi Mu, Phi Sigma Epsilon, Sigma Sigma Sigma, Sigma Tau Gamma, and Tau Kappa Epsilon.

Each organization or dormitory group would elect its Senator during the fourth week of the fall semester. Candidates for the office would be nominated one week prior to the election and would take office the following week. The proposed amendments would completely eliminate the present class representation system.

Clarifications Included

Included with the amendments are a number of clarifications of the present constitution. Instead of "all" of the Senators having one vote, "each" would have one vote. Instead of the "as many honor points as semester hours attempted" which, under the old three point system, was a "C" average, a 2.0 over-all grade point average would be required of all senators.

After approval by two-thirds vote of the Senate, the amendments would be submitted to the President. With his approval, the amendments would then be submitted to the student body in an all-school election where, in order to pass, they must be approved by a majority of the votes cast, providing one-third of the student body votes.

"R.U.R." is the first major production of the speech and dramatics department of the season.

Conception Seminary Lecturer Is Author Who Posed as Negro

John Howard Griffin will be the first speaker of the scholastic year for the Contemporary Man Lecture Series sponsored by the Immaculate Conception Seminary. The lecture will be held at 7:30 p.m., tonight in the auditorium at the Seminary and is open to the public.

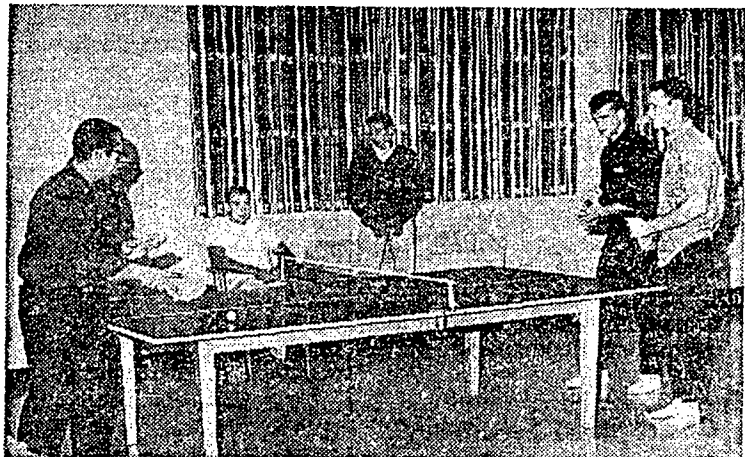

The lecturer is the writer of the novel "Black Like Me," who became a Negro by having his skin darkened so he could live and travel throughout the South as a Negro.

Band Appears at Iowa Clinic

JAZZ STYLISTS—The MSC Progressive Jazz Group, directed by Earle Moss of the college music faculty, acted as a clinic band Nov. 2 for the Creston Jazz Clinic. Activities included a 2-hour clinic session under the direction of the Rev. George Wiskirchen, a leader in the stage band movement, author of stage band literature and outstanding expert on jazz, as well as a half-hour radio broadcast and a 2-hour concert that night. The night concert included selections prepared by the Rev. Wiskirchen and selections prepared earlier for the event by the Maryville Jazz Group. The Rev. Wiskirchen is shown above working with the Jazz Group at the informal afternoon session. The Rev. Wiskirchen and Charles Suber, publisher of "Downbeat" magazine and master of ceremonies, indicated surprise in finding a midwestern college with a jazz program for potential teachers

in full operation. Suber commented that there are some 8,000 high school stage bands in existence as part of the total music education program and that the stage band movement in education has grown this past year at the rate of about 40 per cent. Only about 2 per cent, however, of American colleges and universities sponsor a jazz program of any kind. Miss Rose Marie Adams, a sophomore music major from King City, is the featured vocalist with the MSC group. Members of the jazz group include: Connie Younger, Ricky Steckelberg, John Flora, Larry Rawlins and Dennis Watters, saxophones; Barry Martin, Larry Miller, Don Mortensen and Doug Jackson, trumpets; Jerry Cooper, Dave Taylor, Larry Peterson and Ron Burson, trombones; Larry Benton, tuba; Maynard Potter, piano; Galen Benton, bass; and Carl Baxter, drums.

Two Recreation Rooms Open in New Men's Dorm

by Lanny Green

One of the most significant as well as appreciated features in the new men's dormitories is the recreation area in Cooper Hall.

Located in the center of north wing of the recently constructed dorms, the area is divided into two sections. The east room, where there are plenty of card tables, chairs, lounges, and a television set,

is designed for those who prefer quiet, reserved entertainment. For the more active individual, the west room sports five ping-pong tables. There are also vending machines in the east room.

Since the response to the recreation area has been so good, two new pool tables and another ping-pong table have been ordered. These new additions should be in operation by Nov.

1. New draperies and furniture have also been ordered.

Any student can check out equipment for two hours by leaving his ID card in room 207 Cooper Hall. The ping-pong equipment may not be checked out during the day, but it is available for use from 6:30 p. m., till 11 p. m. Monday through Friday. The equipment may be checked out all day Saturday. Closing time Saturday is extended to midnight. The recreation room is also available for use Sunday from 2:30 till 11.

Dean of Men Jack Lasley said he felt that the recreation area is a wonderful improvement as it creates a friendly atmosphere, and keeps the men active without infringing upon their study time.

Union Board News

The tournaments and games committee of the Union Board is headed by Bob Dickey, a political science major from Des Moines, Ia.

The committee's main function is the Campus Bowl competition, held every Thursday at 4 p. m. in Colden Hall, 213. Two bridge tournaments are held, one a local holiday affair between Thanksgiving and Christmas, the other an inter-collegiate contest with national scope. A campus chess tournament is held in January for the strategic-minded student.

Trophies are awarded to the winners in each of these contests. A team from MSC will be in line for the national College Bowl television contest within the year.

Parking Violations

Does your car's parking sticker say "none" on it? According to Dr. Koerble, dean of students, some of the students having these "none stickers" are unaware of its meaning. These certain car owners are not suppose to park on the campus from 8 a. m. to 5 p. m. Monday through Friday. They are to park off campus during this time.

Lots 7, 8 and 11 are restricted parking areas at all times. These are dormitory lots and no one can park here at any time unless a student has been assigned to one of them. Another restricted parking area is in front of the women's dorms. There is to be absolutely no parking here while you are attending a class. This area is a 15 minute loading area only.

Notices have been sent to the students who didn't fill out a card stating whether or not they have a car on campus. Students failing to do this will pay a \$5 fine.

Sigma Sigma Sigma

On November 1, Mrs. Doris Tabor, National Parliamentarian of Sigma Sigma Sigma visited the sorority's MSC chapter.

In keeping with Tri Sigma's plan for triennial national inspection, Mrs. Tabor of Omaha, Nebr., spent several days with collegiate and alumnae members to encourage efficient chapter operation and to re-emphasize traditional interfraternity cooperation.

Delta Zeta

The Delta Zeta fall pledge class elected the following officers: Sherry Tenhulzen, president; Sharon Coughlin, vice-president; Gloria Lewis, secretary-treasurer; and Janet Merrill, reporter.

Alpha Kappa Lambda

AKL pledges and their dates were guests of the active members of the fraternity at a hayride last Friday night. Complete with a wiener roast and all the traditional trimmings of a hayride, the event honored the first pledge class of AKL.

The AKL fall pledge class elected the following officers: Robert Evans, president; Roger Glancy, vice-president; Ronald Martin, recording secretary; Larry Hauser, corresponding secretary; and Tom Casey, treasurer.

Phi Mu

Four coeds were initiated into active membership of Phi Mu on Sept. 28. They were Misses Sandi Coffin, Glenda Knott, Sara Krefit, and Michele Stitt.

The Phi Mu pledge class elected the following officers at their Nov. 4 meeting: Sue Thompson,

MSC Coed Candidate for Miss Rodeo America Title

By Joan Mann

She's a celebrity!

Throughout 1964, this attractive and well-poised rodeo enthusiast will travel across the United States to ride in parades, appear on radio and television, and be interviewed in numerous newspapers and magazines.

Who is she? Yes, she's Miss Rodeo America.

And, this year, for the first time, the state of Missouri has chosen a candidate to compete with the twenty-five other state candidates in the Miss Rodeo America Pageant to be held in Las Vegas, Nov. 21-24.

Representing Missouri in the Miss Rodeo America Pageant will be Miss Betty Johnson, daughter of Mr. and Mrs. Merrill A. Johnson of Burlington Junction, a senior at MSC. Miss Johnson was chosen Miss Rodeo Missouri at the Joplin Jaycee Rodeo last June.

Miss Johnson has a long, impressive record in the fields of rodeos and queens. She has raised quarter horses with her father, and has ridden horses since the age of four, winning numerous ribbons, awards,

president; Marge MacDonald, vice-president; Judy St. Peter, secretary; and Anne Simpson, treasurer.

During Inspiration Week, which began Monday, awards will be presented to outstanding pledges and inspirational programs will be conducted.

Miss Betty Johnson

and prizes. In the queen category, she has also made a fine showing, serving as Missouri Championship High School Rodeo All-Round Cowgirl in 1957, Missouri Championship High School Rodeo Queen in 1958, a combination of the latter two in 1959, Rodeo Queen of the Fort Madison, Iowa Tri-State Championship Rodeo in 1959, ational High School Rodeo Queen in 1960, Runner-up to Miss Northwest Missouri in 1961, and MSC Homecoming Queen Attendant in 1962.

A member of Sigma Sigma Sigma Sorority, Miss Johnson has traveled over much of the state to fill her obligations as Miss Rodeo Missouri.

AAUP to Meet, Review Books

The American Association of University Professors will meet Wednesday, Nov. 13 at the J. W. Jones Student Union. The business meeting will begin at 5:30 p.m. in the Lower Lakeview Room, according to Miss Neva Ross. Serving will start at 6:00.

The program will be centered around a review and discussion of two recent books on education. The panel discussion will be moderated by Dr. Berndt Angman, associate professor of political science. The panel members will be: Dr. Elwyn DeVore, chairman of the business department, Mr. James Hurst, instructor of social science, Mr. Dean Savage, supervising teacher at Horace Mann, and Dr. Charles Thate, chairman of the education department.

The group will evaluate James B. Conant's, *The Education of American Teachers* and James D. Koerner's, *Mis-education of American Teachers*. The first two members of the panel are subject matter specialists, while the latter two are in the field of education.

Debaters Compete In Iowa Event

MSC debate team participated in a debate and discussion conference held at State College of Iowa in Cedar Falls, November 1-2.

MSC teams won one debate. Robert Allen and Gary Coburn received superior and excellent ratings in discussion.

Those attending were, Robert Allen, Gary Coburn, James Smith and John Sherbo. Mr. George A. Hinshaw, director of forensics, accompanied the group.

Art Show Entries on Display

Winning entries from the various divisions of the 4th Annual Clarinda Art Show are on exhibit in the south gallery of MSC's art department.

THREE TALENTED TWIRLERS—Misses Karen Ann Falk, Betty Bauer, and Carol Workman are shown practicing for one of their performances with the MSC marching band. The coeds appeared at several games, including Homecoming.

The show opened Nov. 3 with an open house from 3-5 p.m. in the art department. In addition to the Clarinda exhibit, student work was displayed in the north gallery and in the classrooms.

The show includes water color, oil and caustic paintings; graphics, ceramics, sculpture, and drawing. The exhibition will run through November 27.

French Civ. Course Offered This Semester

A new and rather different humanities course is being offered this semester at MSC. It is a three hour course called Humanities 105, French Civilization.

Although the course was adopted two years ago, this is the first semester that it has met with any success. According to Mr. Floyd Barrows of the humanities department, French Civilization is a supplement to French language and history. It ties them together with offerings from fairly modern and immediate civilization.

Humanities 105 is being taught by Mr. Charles Fry and is open to all students who have had Humanities 2.

Judging Team Rates High

Savannah F. F. A., Mills County Iowa 4-H, and MSC had the high scoring teams in the livestock judging contest held Saturday at the Northwest Missouri State College.

The Savannah team scored 1,761 points out of a possible 2,250 to top the F.F.A. division. In the 4-H division Mills County, Iowa, scored 1,777 out of a possible 2,250 to take top honors. David Dalbey of the Nodaway County team was high individual of the 4-H division.

In the college division four teams competed from Central Missouri State and MSC. The MSC teams placed first and second with the top scoring team collecting 1,871 points out of 2,250 possible. Al Waddell of MSC was high individual in the college division.

Trophies and medals for high teams and individuals were provided by the Maryville Chamber of Commerce and presented to the winners by C. C. secretary E. C. Walker.

The Missouri Farmers Association provided lunch for contestants and coaches.

SUPPORT THE BEARCATS

Across the Nation—

Fraternity GPA's High

Scholastic averages of fraternity members throughout the nation's colleges have shown a consistent rise for the past decade until they now exceed the all-men's averages on a majority of campuses where fraternities are located.

The final figures for the academic year, 1961-62, show that the all-fraternity average exceeded the all-men's average in 58.1% of the colleges reporting, according to an analysis just released by the National Interfraternity Conference. For the academic term ten years previous (1952-53), only 40.7% of the schools reported fraternity averages as being above the all-men's averages.

Accompanying the increase in the number of schools with a superior all-fraternity average has been a similar improvement in the nationwide percentage of individual fraternity chapters above the all-men's averages. During 1961-62, 48.8% of all fraternity chapters reporting were above their respective all-men's averages, whereas only 41.9% could show a superior rank ten years earlier.

Pix Sked

The sororities and fraternities will have their pictures taken at Frederick's Studio during the weeks of Nov. 25-Dec. 6.

Fraternities should wear dark suits, white shirts, and plain ties. Sororities should choose a drape as soon as possible.

The dates for the picture sessions are as follows:

Alpha	Nov. 25
Delta Zeta	Nov. 26
Phi Mu	Nov. 27
Tri Sigma	Nov. 28
All those who missed the above dates are to have their pictures taken Nov. 29.	
AKL	Dec. 2
Phi Lamb	Dec. 3
Phi Sig	Dec. 4
Sig Tau	Dec. 5
TKE	Dec. 6

All organizations who wish to have pictures other than group pictures may take snap shots at activities in which they participate. These pictures must be given to Carolyn Wiltshire, Susan McConkey, or Ellen Grube by the end of the first semester.

Any individual who missed having his or her picture taken individually should make an appointment at Frederick's Studio to do so at once.

In the month of October approximately 1,150 male students used the recreational facilities at Lamkin Gymnasium during the night activity program according to Pettegrew.

College Tradition

Many MSC Girls Become Coeds On Old Bridge!

Each year, hundreds of prospective co-eds and their dates trek down a well-tread path from the Women's Dormitories to the rustic bridge and are officially initiated as MSC co-eds.

This bridge, popularly known as "the co-ed bridge," or "the kissing bridge," spans what was once a shallow stream leading across the ground now covered by the lake.

According to tradition, no girl can consider herself a real co-ed until she has been kissed on the rustic bridge before the first snowfall.

Girls! The first snowfall of the 1963-1964 season is yet to come. If you haven't been officially initiated as a real co-ed, do it now.

P E 132 Offers Training For Treatment of Injuries

Any MSC man wishing to gain a working knowledge in the care and prevention of athletic injuries may do so by tak-

ing P. E. 132.

Three hours of classroom work is done each week plus lab and field work. According to Mr. Ryland H. Milner, instructor and track coach, the most valuable phase of the course is the lab. Each student spends two weeks caring for injuries received during training and games. Students are also taught to operate such equipment as the whirlpool, sweatbox and medcolater.

Preventing accidents and injuries from happening is stressed. The massaging and loosening of muscles; care for dislocations, blisters, and wounds; and taping are those facets which are covered primarily in the course.

The course is designed so that students successfully completing it may help relieve pain in the injured until someone qualified in medicine can take charge.

THE COLLEGE OATH

"We will never bring disgrace to this, our College, by any act of cowardice or dishonesty. We will fight for the ideals and sacred things of the College. We will revere and obey the College laws and do our best to incite a like respect and reverence in others. We will transmit this College to those who come after us, greater, better, and more beautiful than it was transmitted to us."

ALL THAT JAZZ

Whither Goest Thou?

The Student Senate is currently considering proposals for constitutional amendments which would change the methods of election of Senators and the composition of the Senate. The proposed method provides for each social organization and each designated group of dormitories to elect a Senator to represent them instead of the present election by classes.

The project of reapportionment is a popular one, included in the platforms of both presidential candidates last spring. Both Greeks and independents seem to agree that a change is necessary and should be made.

We, too, think that a change is necessary. However, we hope that the Senate and the members of the Student Body will carefully consider the changes which they make.

The question is actually not whether the election procedure should be changed, but HOW? And what should be the composition of the Senate after the change?

As submitted by the committee, the proposal would provide for representation of each social organization, students living in dormitories, and those living off-campus. The Senators would be divided evenly between the Greeks and independents.

To some of these proposals we ask why?

Why the Greek/Independent split? Have the relations between the two groups so deteriorated that one cannot allow the other to have more representatives even though there are at least five times as many non-affiliated students as there are students affiliated with any social group, independent or Greek? Would not some dormitory Senators represent a considerable number of Greeks as in the case of Roberta Hall? In theory, the ISO Senator is to represent not only his own organization but also the non-affiliated men living off-campus and non-affiliated commuting students. Is this realistic? How could a Senator from an organization claim to represent students who do not even recognize the right of that organization to speak for them?

Only representation from social organizations has been provided for. Should the two service organizations, Gamma Sigma Sigma and Alpha Phi Omega, be included? What about other groups? What should be the criteria for deciding who gets a Senator and who doesn't?

The reorganized Senate would have 18 Senators plus the vice-president and president. The reapportionment committee reported that they kept the number low so that the Senate would continue to function smoothly and efficiently and wouldn't get out of hand. Yet excluding some groups and under-representing others is the very condition which the Senate is trying to correct. We wonder whether a school of nearly 3,000 isn't ready for a larger number of people in the student government.

These and others are the issues which are confronting the Senate. We would encourage you to talk to the members of the Senate to find out all the particulars and to tell them how you feel about the issues involved. Senate members are Sandy Burger, Bob Crawford, Don Daniels, Ellen Grube, Harvey Hallum, Jim Hawkins, Judy Hullman, Bob Johnson, Dennis Kaster, Marge MacDonald, Sue McNeill, Rex Pettegrew, Debbie Price, and Jim Sanders.

Also remember that Senate meetings are open to any student. They are held each Thursday evening at 6:30 in the Lower Lakeview Room of the Student Union.

The Inquiring Photographer

The question posed by the Inquiring Photographer was: "How do you feel about President Kennedy's plan to defer married men from the draft?"

Sharon Cross, soph., English major from Hopkins.

"As long as we're a nation of peace, I think that married men belong at home with their wives and families. I definitely feel that the plan is right."

Donald Bishop, senior, foreign language major from Atlantic, Ia.

"I'm in favor of it at present. When I was in the service there were married men in too and it caused a lot of hardships. There are enough single men around that they won't need the married ones for a while. There should be, however, an age limit so young marriages won't take place just to evade the draft."

Myrna Schnegelberger, junior, biology major from Langdon, Mo.

"I don't think it's a good idea; I think it will induce a lot of young and hasty marriages."

Harold Clark, soph., P.E. major from Maitland.

"I think it's great. Why? Because I'm planning to get married and besides it will keep unmarried men out of trouble."

Lynn Lyons, junior, education major from Perry, Ia.

"I think it's a good idea if they have families that should be supported. There are enough single men, not in college, who can serve, and these people who aren't in school should be given an opportunity to serve the country."

Ed Schultz, soph., I.A. major from Marshalltown, Ia.

"I agree with his plan for two reasons. First, I'm married and it keeps me out of the services. And secondly, I believe that my college education is just as important to the country's welfare as my service in the armed forces."

CINEMA

Bob Hope and Lucille Ball head the cast of Warner Bros. Critics Choice opening Friday night at the Tivoli Theater.

Hope portrays Parker Ballantine, a New York drama critic who is confronted with the task of reviewing a "not so good" play written by his wife, Angela, (Lucille Ball). Hilarious complications develop with the reappearance of Parker's first wife, Ivy London, played by Marilyn Maxwell. As a result the Ballantine's marriage is plunged into turmoil.

Critic's Choice based on the hit Broadway play by Ira Levin, is featured on the same billing as Amazons of Rome starring Louis Jourdan and Sylvia Syms.

'Cat Wrestlers Show Early Promise, Depth for '63

According to Coach Jerry Landwer, prospects are bright for the wrestling squad this winter. Coach Landwer says that Lonnie Wieland, Al Packer, Arnold Thompson, and Ernie Jones have looked especially good in early drills. Much is expected from Harvey Hallum, but he has slowed up due to sickness.

Four lettermen from last year's squad, which posted a 13-1 record, and a large group of freshmen should give the Bearcats another strong squad. Several Lettermen Back

Returning letter winners include Lonny Wieland, 157 pounds, elected team captain; Larry Kilmer, 137 pounds; Arnold Thompson, 137 pounds; and Harvey Hallum, 123 pounds. Hallum, from Webster High School in Tulsa, Ok., was voted the outstanding wrestler on the team last year as he compiled a 10-0-3 record as a freshman.

There is much depth in the 123, 130, and 137 pound classes, according to Coach Landwer. There are three and four promising matmen at each of these weights. Depth and experience are lacking in the 147 and 157 pound classes, but the men are experienced.

There is little depth at 167, 177, and 191 pounds. Al Chezum is the only 177-pound wrestler, and he now weighs 196 pounds.

Says Coach Landwer, "This is the first year we've had any depth in the heavier weight classes and we should be real strong in the lighter divisions. Our schedule is much more rugged this year, but I'm hopefully looking forward to another successful season on the mats."

The wrestling roster, which is composed of three juniors and freshmen and sophomores, is as follows:

123 pounds: William Allen, Reggie Jensen, Jack Keller, Charles Kirby, Ken Malick, Jerry Mason and Steve Moore.

130 pounds: Dave Berg, Nshan Erganian, Harvey Hallum and Allen Jensen.

137 pounds: Albert Allen, Dean James, Ernie Jones, Ron Scott and Arnold Thompson.

147 pounds: John Dew, Gary Grimes, Ron Hager, Larry Kilmer, LaVergne Pabian and Bill Whitehead.

157 pounds: Larry Messerli, Gary Randall, Lyle Timmerman and Lonny Wieland.

167 pounds: Henry Gaston, Joe Handley, Edward Newman and Allen Packer.

177 pounds: Buzz England, Tom Paulsen and Galen Wilson.

191 pounds: Allen Chezum, Bob McCloskey and Doug Min-

Leo Papas Pads Passing Lead

Latest MIAA statistics indicate that MSC quarterback Leo Papas still leads the league in passing. Papas has completed 56 of the 105 passes for 53.33 per cent, through the first seven games.

Lonnie Irvin, MSC Bearcats' leading pass receiver and rusher dropped to second in conference pass receiving. Cape Girardeau's Brown jumped from first to third. Brown has caught 19 for 211 yards, Irvin 17 for 225 yards.

Although last Saturday's statistics have not been released, MSC's Leo Papas practically assured himself to the MIAA passing crown against Cape Girardeau. Papas fired 22 for 28; for 205 yards and two TD's. He got 16 for 20 in the last half.

SUPPORT THE BEARCATS

Cape Edges MSC, 22-19; Papas Plays Sterling Role With 22 of 28 Passes

Quarterback Leo Papas made a final bid for an MIAA All-Star berth Saturday, but his sensational passing exhibition wasn't enough as the Cape Girardeau Indians rallied to down the Northwest State Bearcats 22-19 in the pigskin finale for the MSC gridders.

Papas, a sophomore transfer from Nebraska University, harassed the Indians throughout the Saturday night clash with his passing, hitting on 22 of 28 aeriels for 205 yards. For the year Papas far out-distanced MIAA passing rivals as he connected on 78 of 133 passes for nearly 59 per cent accuracy. Papas passes accounted for over 900 yards in the MSC offense.

Indians Late TD Wins

The Indians were trailing 19-14 late in the fourth period when the league's leading pass catcher Lyman Brown raced in from the eight to tally and make the count 20-19 for the Indians. Jerry Lynch then passed to Mike Gorelick for the 2 point PAT.

Maryville scored a first-quarter TD on a 23-yard pass from Papas to fullback Mike Peterson. Cape retaliated on a 6-yard run by Brown. The Maryville kick for PAT failed and the Indians went ahead 7-6 on Irvin Whitehead's extra-point boot.

Peterson scored on a 1-yard plunge in the second quarter and the kick again failed for the point after. Cape countered just before halftime on a 12-yard TD sprint by Gorelick. Whitehead put the Indians into a 14-12 midway lead by again booting the PAT.

'Cats Hold 19-14 Lead

Maryville took a short-lived 19-14 lead in the last stanza as papas found Dave Bussjaeger on a 5-yard scoring play. Ed Maxwell kicked the extra point for the Bearcats.

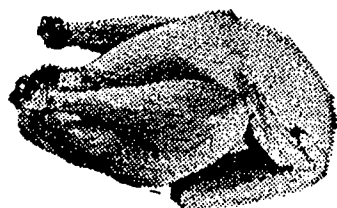

Main targets for the MSC signal caller were ends Bob Harvey and Bernie Englund. Papas hit on 16 of 20 second-half attempts and on one spree he connected 10 straight times.
